Note:

- This list has been updated in accordance to the Board of Trustees of the Higher Education Council decision taken at the session no. (7/2023) on August 3, 2023 and the circular decision no. (125/2023) dated June 4, 2023 and the letters issued by the Secretariat General of the Higher Education Council in implementation of the decisions issued by the Higher Education Council.
- This list will be updated if the Higher Education Council issues decisions on academic programs for institutions of higher education. In this case, the new decision will not be applied on the students registered before the date of the new HEC decision.
- We would also like to inform you that the General Secretariat of the Higher Education Council is the body that certifies the academic qualifications granted by the private higher education institutions mentioned above if the qualifications meet all the internal regulations of the institution and regulations for higher education in the Kingdom of Bahrain.
- Therefore, any student who holds a certified statement from the General Secretariat of the Council for Higher Education in the Kingdom of Bahrain's ratification on his qualifications, this will qualify him to complete his graduate studies.
